**This series is designed to provide health and mental health professionals, educators, and students with current strategies for understanding, identifying and treating children with mental health problems. Each session will consist of a lecture reviewing current research and evidence followed by discussion and a wine and cheese reception.**

The Center for Children and Families (CCF) has been approved by the American Psychological Association to offer continuing education for psychologists. The CCF maintains responsibility for the program. Each session of the Speaker Series on Evidence-Based Approaches for Child and Adolescent Mental Health is approved for 1.5 CE credits.

The University at Buffalo (UB) School of Medicine and Biomedical Sciences is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The UB School of Medicine & Biomedical Sciences designates this educational activity for a maximum of 1.5 AMA PRA Category 1 Credit(s)TM.

Physicians should only claim credit commensurate with the extent of their participation in the activity.
